REPORT AND RECOMMENDATION

On August 6, 2009, defendant filed a motion for a judicial determination of mental competency. Defendant was examined by David E. Morrow, Ph.D., a Forensic Psychologist, who prepared a report dated October 5, 2009.

On October 22, 2009, I held a competency hearing. Defendant was present, represented by Assistant Federal Public Defender Travis Poindexter. The government was represented by Assistant United States Attorney Daniel Nelson. The parties stipulated to the contents and findings of Dr. Morrow as the only evidence of whether the defendant is competent to stand trial and to assist in his defense (Tr. at 2).¹

Based upon the uncontroverted evidence stipulated to by the parties in this case, I find that the defendant is competent to stand trial and to assist in his defense. Therefore, it is

RECOMMENDED that the court, after making an independent review of the record and applicable law, enter an order finding
